“When you need help getting things done in China, whether due to resource limitations, lack of expertise, or because you just can't be here, we can help. We're always ready to go. We have been helping to execute sales and other business activities in China for clients since 2003. It's what we do best.”

*Chris Wingo, Managing Director*

#### **Long-term Sales and Business**

**Support:** Looking beyond current global woes to China for the its long-term potential? If so, we can surely help. Visit our [website](#) or [contact us](#) for more information.
